### Section 3 – Details of your primary production enterprise and direct damage incurred

Please provide information about your primary production enterprise, including property size, normal stocking levels/ crops grown, annual turnover, employee number, commodity produced and how long you have been in operation. Please also provide a description of the direct damage that occurred to your primary production enterprise.

--

### Section 4 – Details of the direct damage sustained as a result of the eligible disaster

Please provide an estimate of costs associated with disaster recovery in the table below.

Eligible Activity	Estimate Cost - \$
Hiring, leasing or purchase of equipment and/or materials to undertake clean-up	
Additional labour costs (above and beyond normal wage expenditure, i.e. day-to-day staffing)	
Disposing of damaged goods and injured or dead livestock, including associated costs	
Repairing a building or repairing or replacing fittings in a building, if the repair or replacement is essential for resuming operation of the primary production enterprise. (Funding is not available for repairs to a building that is used as a dwelling, unless it is used for carrying on the primary production enterprise, for example staff accommodation)	
Repairing or replacing fencing (not covered by other assistance)	
Reconditioning/repairing essential plant and equipment, including repairing damage to, or replacing, water tanks, de-silting dams, water reticulation systems	
Salvaging (but not replacing) crops, grain, feed, fertiliser and timber	
Health maintenance for livestock and poultry	
Purchase of fodder, grain, and feeds for livestock and poultry, and/or stock agistment costs, and associated transport costs (not covered by other assistance)	
Purchase or hire/lease costs for equipment essential to the immediate resumption of the business	
Replacement of essential water used for firefighting purposes	
Water cartage	
Payment for tradespeople to conduct safety inspections	
<b>Total estimate of clean-up and reinstatement costs</b>	

***Should you operate an eligible separate business as defined in Section 5 of the Guidelines, a separate application will be required detailing the disaster damage associated with that business.***

### Section 5 – Insurance

Has a claim for insurance been made in relation to the direct damage caused by the disaster?

*A copy of the outcome of your insurance claim must be provided to Rural Finance once determined (refer to checklist on page one).*

<input type="radio"/> Yes – please provide insurance details below	
Insurance Company	
Policy / claim no.	
Claim manager name	
Claim manager phone no.	

<input type="radio"/> No – please indicate why	
<input type="radio"/>	Uninsured (please explain below)
<input type="radio"/>	My/our policy does not provide cover for the items damaged or damage caused by the eligible disaster (please attach insurance policy)
<input type="radio"/>	Other (briefly detail below)

Additional Insurance / other details:

--

## Declaration and authorisation

Please tick (✓) the boxes below to acknowledge that you declare and understand that:

- The grant funds are to be applied to assist in paying for the eligible costs (listed in Section 4) incurred as a result of direct damage caused by the eligible disaster.
- The information provided in this application is true and correct
- Deliberately giving false or misleading information is a serious offence and may lead to prosecution.
- Rural Finance may seek information regarding expenditure on, and outcomes from, clean-up and reinstatement activities. This information may include photographs, quotations, tax invoices, receipts, bank statements or other similar records.
- Any assistance claimed and received under this scheme is non-assessable and non-exempt income for tax purposes.
- Assistance received cannot be claimed for tax deduction purposes.

I/We hereby authorise Rural Finance and any of its authorised representatives to:

- a) Collect information that Rural Finance or its authorised representatives consider to be necessary or appropriate in connection with this application, from:
  - i) Any accountant, solicitor, business consultant, bank, other financier, processor, supplier or other person named or identified in this application or any supporting documentation provided with, or in support of, this application.
  - ii) Any Commonwealth, State or Local Government agency or authority that Rural Finance or its authorised representatives may consider relevant to this application (each relevant person).
- b) Disclose to any relevant person and to any contractor or agent of Rural Finance involved in the assessment or processing of this application:
  - i) That I/we have made this application
  - ii) Information contained in this application or any supporting documentation provided with, or in support of, this application
  - iii) Information collected by Rural Finance or its authorised representatives under paragraph (a) above
  - iv) Information about any previous application I/we have made to, or financial assistance received from, Rural Finance

I/We authorise any relevant person to disclose to Rural Finance and its authorised representatives such information as may be requested about me/us in connection with this application.

**Emergency Bushfire Response in Primary Industries Grant may result in financial, taxation, legal or other impacts. Applicants are advised to seek independent financial advice in regards to these impacts.**

**If you make a subsequent application for an Emergency Bushfire Response in Primary Industries Grant the total assistance cannot exceed the maximum \$75,000 available under the eligible disaster event.**

**Before submitting this application to Rural Finance please ensure all relevant questions have been completed and all required documentation attached. All business owners, directors or trustees must sign below.**

If you require assistance with completing your application, or wish to speak to Rural Finance please contact Rural Finance on 1800 260 425

## Privacy

We understand and appreciate that our customers are concerned about their privacy and the confidentiality and security of any information that may be provided to us. Rural Finance has always prided itself on its standards of confidentiality, and will continue those standards, in line with new privacy legislation. The personal information collected and maintained by Rural Finance comprises your name, address, contact details and information specific to the support program. Rural Finance may use your personal information in order to provide the services you require, administer and manage those services, and research and develop our services. Your personal information is also collected to advise or offer information on other support programs that may be relevant and of interest to you. If you do not wish to receive these offers or information, please call 1800 260 425. It should be noted that financial information received by Rural Finance for the purposes of assessing eligibility and level of assistance under specific schemes of support, that may enable an individual to be identified, at no stage is divulged to any third party or government department.
