

Accessing VICSES Systems

Step 1. Create a VICSES network account by logging on to your LHQ computer

Username: sesXXXXX
Password: SES.DDMM

NOTE: XXXXX = Your SES member number eg ses12345
DDMM = Date & month of your Birth

You will be prompted to change your password. This will now be your VICSES network logon details

Step 2. Register for remote password reset.

visit <https://selfservice.ses.vic.gov.au> and login using your VICSES network logon details
(Call IS Service desk if your account has expired 1300 737 101)

Step 3. Access VICSES HUB – <https://hub.ses.vic.gov.au>

Username: sesXXXXX@members.ses.vic.gov.au
Password: Same as VICSES network password

<p>These VICSES Hub apps will require your VICSES network login before access</p> <div data-bbox="159 983 412 1083"></div> <div data-bbox="456 983 710 1083"></div>	<p>These VICSES Hub apps will require your VICSES network login to access a gateway & then the login details below</p> <div data-bbox="844 983 1095 1083"></div> <div data-bbox="1249 983 1500 1083"></div> <p>Username: sesXXXXX Password: – (issued during OIMS training)</p> <p>* Username: XXXXX Password: 0XXXXX * access via gateway if role in RMS includes Duty Officer</p>	<p>Accessing your VICSES email may require you to re-enter your VICSES Hub logon details</p> <div data-bbox="1561 1002 1805 1096"></div> <div data-bbox="1830 1002 2033 1096"></div>
---	---	--

* any members can access VIPER directly on LHQ desktop by entering EAS into the web browser

Step 4. Register with EMCOP

[What is EMCOP?](#)

Visit <https://cop.em.vic.gov.au> & register with your '@members.ses.vic.gov.au' email for access to EMV applications
