VICTORIAN EMERGENCY  
MANAGEMENT INSTITUTE

## WELCOME TO VEMI

Situated at the foothills of picturesque Mount Macedon and only 40 minutes from the Melbourne CBD, there are very few conference centres that match the beautiful surrounds of VEMI.

VEMI boasts full conferencing facilities for day guests or overnight stays, with events tailored to your specific requirements.

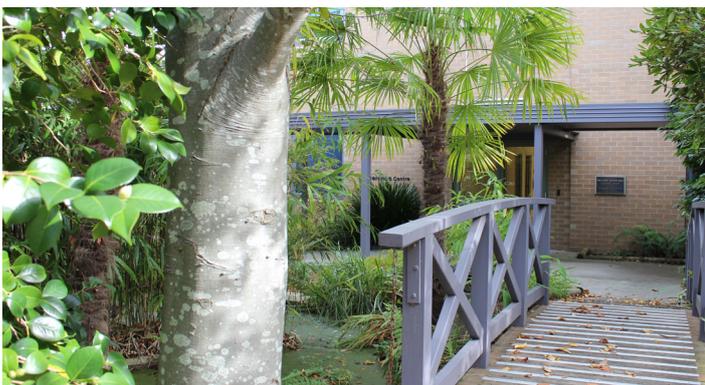

VEMI is surrounded by 6.8 hectares of manicured gardens, with accessible walking tracks and an abundance of flora and fauna to observe. The gardens are home to echidnas, kangaroos, koalas and an amazing array of birdlife, a perfect way to unwind at the end of the day.

VEMI boasts newly refurbished conference rooms, suitable for small working groups or larger groups of up to 100 participants. Rooms boast views of the breathtaking gardens, with groups encouraged to utilise the outdoor el fresco areas for their breaks or as a breakout area. Our tiered theatre featuring surround sound and a 180" screen is another feature groups are welcome to utilise. Room arrangements are versatile, giving you the choice of many seating arrangements.

Overnight accommodation is available for 52 guests utilising modern and comfortable bedrooms, each room has a newly renovated ensuite, independent climate control, study desk and a double bed. All rooms are able to connect to unlimited free wifi, ensuring all guests will be suitably impressed!

Meal packages can be tailored to suit your conference, with food prepared by our Master Chef! Our kitchen utilises fresh produce from the area with many dietary requirements accommodated. Our fully licenced bar also serves locally produced wine and beer.

To book a tour or to discuss your next conference, call or email our friendly team who would love to show you all that VEMI has to offer!
